

## Welcome

Richland County Solid Waste Authority (RCSW) is responsible for implementing Richland County's solid waste management plan, which is designed to achieve the goals set forth by the Ohio EPA. The goals focus on waste reduction; recycling; and reducing reliance on land filling waste generated within Richland County.

This website provides helpful information regarding the Authority's Board Members, Staff, and Educational Programs. In addition, our Compost Facility, Scrap Trailer, Collection Facility, and Drop-Off Locations are highlighted. This site also provides RCSW's latest news, upcoming events, and resource information.

Our services are primarily available to Richland County residents and businesses. Please contact us at 419-774-5861 Monday through Friday 8:00am to 4:30pm.

---

**Mission Statement:** The Richland County Solid Waste Authority's goal is to reduce the volume of waste that is placed in Richland County's local landfill and to promote the theme "Reduce, Reuse and Recycle" [Read more.](#)

**Education:** The youth of today are the future of tomorrow. We at RCSWMA believe this to be an indisputable truth, so our youth recycling programs focus on sustainability. We also believe that education for recycling will result in the beautification of Richland County. Therefore, our educational programs help educate not only K-12 but the community in order to put into place best practices for Reducing, Reusing, and Recycling. **S.C.R.A.P. Trailer:** The S.C.R.A.P. Trailer (School Community Recycling As Partners) collects recyclable materials at 20 local schools each month. The materials accepted include #1 and #2 plastic, aluminum cans, tin cans, newspaper and corrugated cardboard. Schools receive the money from the sale of recyclables. Click [here](#) for more information.
