

Youth Presentations

Our staff provides information and educational presentations for Boy/Girl Scouts, 4-H Groups, classrooms and youth organizations. Our presentations include activities, experiments and discussions.

Classroom activities are aligned with the Ohio Department of Education Standards in science, mathematics and social studies. Each presentation is geared to a specific grade or age group.

Our hands-on classroom activities include:

- **Magnetic Pull**
- **Plastics**
- **Worms**
- **Compost Jar**
- **Paper Making**
- **Garbage Pizza**
- **Earth Smart Recycling Games**
- **Household Hazards**
- **Trash History**
- **Nylon Stocking Earth Babies**
- **Puzzle Piece Picture Frame**
- **Newspaper Plant Pots with Plant**

For more information, contact our Education Specialist **Lori Stone** (lstone@richlandrecycles.com).
