

S.C.R.A.P. Trailer

The **S.C.R.A.P.** Trailer (*School Community Recycling As Partners*) picks up recyclable materials at local schools each month. **Materials accepted include #1 and #2 plastic, aluminum cans, tin cans, newspaper and cardboard.** *Schools receive the money from the sale of recyclables even when the schools are not in session.*

The S.C.R.A.P. Trailer schedule is set by time approximate. When the trailer becomes full, it will be removed from the premise and returned to National Parkway. We cannot always guarantee that the trailer will be there until its scheduled end time! ***Plan to come early.***

Please click on the date for the location of the SCRAP Trailer in relation to the school.

To download the Scrap Trailer Schedule, please click on Forms/Brochures located at the end of the Residential tab

Check out our **Facebook** page, ***Richland County Solid Waste, Mansfield Ohio***, for updates on the SCRAP Trailer!
