SCRAP TRAILER

Richland County Solid Waste

1125 National Parkway
Mansfield, Ohio 44906
419-774-5861

S.C.R.A.P. stands for **S**chools and **C**ommunities **R**ecycling as **P**artner's - that's what the SCRAP Trailer promotes!

Richland County Solid Waste provides the SCRAP Trailer to schools in Lexington, Madison, Mansfield and Shelby which gives students, parents and neighbors the chance to recycle newspaper; cardboard; #1 and #2 plastic; aluminum soda pop cans and bi-metal cans (such as soup cans). The money raised from the sale of recyclables is returned to the participating school.

Take this opportunity to help your school, save our natural resources and conserve landfill space by recycling.
