and visit our Facebook page at

Richland County Solid Waste, Mansfield OH

# INTRODUCTION

Recycling is the process that transfers numerous materials from the waste stream into useful products. The opportunities in this Recycling Guide are primarily within Richland County, Ohio for Richland County Residents. Additional recycling programs, collection points or other collection systems may be located outside of Richland County, which may not be noted in this booklet.

One opportunity for Richland County residents to recycle is by contacting local waste haulers who may provide a curbside recycling program. Please contact Richland County Regional Solid Waste Management Authority at 419-774-5861 or your waste hauler for information on potential curbside recycling programs.

The information contained in this Recycling Guide is based upon information gathered by the Richland County Regional Solid Waste Authority (RCRSWMA) and the OH Environmental Protection Agency's (OEPA), Division of Solid & Infectious Waste Management's (DSIWM) website. The RCRSWMA apologizes if a business or organization is not listed or was inadvertently omitted from this guide.

If a business or organization needs added or updated, please contact the RCRSWMA at 1125 National Parkway, Mansfield, OH 44906 or at 419-774-5861. The Residential Recycling Guide is updated annually.

If additional information concerning the listed businesses or organizations in this Recycling Guide is needed, please contact the companies directly.

The businesses or organizations listed in this Recycling Guide should not be considered as an endorsement or approval by the OEPA, DSIWM or the RCRSWMA. Furthermore, the businesses listed in the directory may not be inclusive of all of the recycling businesses in Richland County. Businesses not listed must call RCRSWMA to be added into the directory and current businesses must call RCRSWMA for updating current directory listings.

**www.earth911.org** is a comprehensive website which a detailed database of recyclers available in the United States. The site has updates with the latest database. The search can be based on the recycler, recycling material, area or city.

**Richland Public Health** offers local community information on recycling. Their website is:  
<https://richlandhealth.org/our-community/recycle-richland-and-where/>

### **Hosting an Event?**

Richland County Solid Waste offers Recycling Bins for Consumer and Community Events. For more information, call 419-774-5861.

### **Adopt A County Road**

The Adopt A County Road Program allows volunteer groups to adopt a two-mile stretch of County Road in Richland County. The program is free and is designed to help keep litter off the roads, providing stewardship to Richland County's roadways.

Groups are asked to adopt a stretch of county road for two years with 4 minimum litter pickups per year. Volunteers are not paid to pick up litter.

**Richland County Solid Waste will provide safety training, trash bags, disposable safety vests and two personalized signs to be used at the beginning of the two-mile section. For more information about adopting a county road, please call 419-774-5861.**

# **ROADWAY LITTER**

1. Litter affects everyone in Richland County.
2. Litter destroys the beauty of our communities.
3. Litter can be washed into waterways and into groundwater causing environmental damage.

4. Neighborhoods that are heavily littered may experience more vandalism or other crimes.

5. Litter impacts real estate values and hinders economic development.
  6. Government and businesses spend large sums of money on roadside litter cleanups.
7. Litter can be prevented by simply acting responsible.

**Please, Do Not Litter!**

## **Roadside Litter Cleanup, Earth Stewardship, April and May**

The Richland County Solid Waste Authority requests that all Richland County residents help clean up roadside litter during the Earth Stewardship months of April through August.

Contact Richland County Solid Waste about our Earth Stewardship Litter Cleanup Program at 419-774-5861.

## **Mansfield/Richland County Public Library – Library of Things**

**For a one time use; for a holiday, vacation, party, or birthday; or to try a new device, check out the following items at [www.mrcpl.org/read-explore/library-of-things](http://www.mrcpl.org/read-explore/library-of-things):**

Bicycles; computer and board games including cornhole and binoculars; electronics like video game controllers, kindle, energy analyzing device, Roku, launchpads and wifi hotspots; blood pressure cuff kits; sewing machines and baking pans; and musical instruments like digital keyboards, harp, kalimba, kid's music sets, drums, cow bells and acoustic, bass and electric guitars; and more!

Thank you for reusing and reducing!

### **RECYCLING CAN MAKE A DIFFERENCE!**

- Recycling is responsible earth stewardship. Each person creates about 4.9 pounds of waste every single day. Only 1.51 % is recycled. Implementing effective environmental practices, such as recycling, can have economic rewards. Residential household recycling also helps communities meet state and local recycling goals.
- Recyclables are the raw materials for many new products. Recycled paper supplies over 37 percent of the raw material used in making new paper products. A high percentage of office paper is recycled into products such as cereal boxes, tissue, printing and writing paper. Every ton of paper recycled saves 3.3 cubic yards of landfill space. Currently more paper is recovered for recycling than is land filled.
- An automobile tire is made from 5 gallons of oil, but by recycling we reduce reliance on oil.
- Aluminum cans are recycled into soda cans, pie plates, license plates, thumbtacks, aluminum foil, and many other items. Recycling one aluminum can saves enough energy to power a TV for up to 3 hours.
- PETE plastic can be recycled into clothing, blankets, toys, stuffed animals, rulers and more!
- Glass can be recycled into jars, jewelry, bottles, dishes, drinking glasses, coffee mugs and more!

**Want to learn more about recycling? Call 419-774-5861 to schedule a presentation.**

**Also, check [richlandrecycles.com](http://richlandrecycles.com) for information on school grants. Two \$500 grants are awarded each year to local schools bringing awareness to Reduce, Reuse and/or recycle. Call 419-774-5861 for more information.**
